

easy granola bars

4 cups of oats
3/4 cup butter, melted
1 cup brown sugar
1/2 cup honey or corn syrup
dash of cinnamon (optional)

1 teaspoon salt
1 teaspoon vanilla
1/2 - 1 cup of your favorite add-in
(raisins, choc. chips, nuts, flax seed)

Preheat oven to 450 degrees.

Combine all ingredients in a large bowl. Spread on a 10x15 inch jelly roll pan, and bake until golden and bubbly, between 9-11 minutes (or longer for crunchier bars). Do not overbake. Let bars cool slightly then score with a pizza cutter. Remove from pan when completely cooled.
